## PROFESSIONAL SUMMARY

**Enthusiastic Computer Science diploma student with a solid foundation in C, C++, Python, JavaScript, and React.**
Currently enhancing web development skills through academic projects such as *Edu Desk*, *GPP MCQ Portal*, and *Personal Portfolio*.

- Quick learner and effective team player, eager to apply technical knowledge, build real-world applications, and gain practical industry exposure through an internship opportunity.

## EDUCATION

### Diploma in Computer Engineering
*Aug 2023 - May 2026*

Government Polytechnic Pune

I am currently pursuing a Diploma in Computer Engineering, where I am learning programming, database management, operating systems, and web technologies. Alongside academics, I have worked on projects such as **Edu Desk (Notes Sharing Platform)**, **GPP MCQ Portal**, and **Personal Portfolio**, which helped me practice my skills in **React, JavaScript, and Python**. These experiences have improved my problem-solving abilities and given me hands-on exposure to real-world applications.

## PROJECTS

### Edu-Desk
*May 2025 - Jun 2025*

Frontend Developer

- Developed the **front-end interface** using **React**, focusing on dynamic and responsive design.
- Built reusable components to ensure scalability and better user experience.
- **Edu Desk is a Notes Sharing Platform** where students can upload and access study notes to support collaborative learning..

### GPP MCQ Portal
*Jul 2025 - Aug 2025*

Frontend Developer

- Collaborated with a teammate to build a **fully functional MCQ practice portal** where students can **share and practice MCQs**.
- Designed and developed the **frontend using React**, ensuring smooth navigation and interactivity.
- Worked closely with the backend teammate to integrate functionality and deliver a complete product.

### Personal Portfolio Website
*Jun 2025 - Jun 2025*

- Designed and developed a **personal portfolio website** to showcase projects and skills.
- Built using **React**, focusing on responsiveness and clean UI for a better user experience.
- Highlighted academic projects such as Edu-Desk and GPP MCQ Portal, along with personal information and social media links.
